

Dear Lindy and Brooklyn,
I just want to say what I've
been learning about in school. That
is money. What are you learning about
Brooklyn? I want to say I am sorry
for what you have been through
Lindy. My name is Alicia R. I would
like to tell you what I'm good at.
I am good at drawing. I like to
draw horses and people. What are
you good at? What do you call a
monkey who babysits a person? The
answer to my joke is at the end.
Your friend,
Alicia R. Rodriguez
p.s. a monkey siter.
